HISTORY

The Milwaukee Radio Amateurs' Club, Inc., was founded in January, 1917, by Loy Schell Hillegas-Baird and other local radio amateurs, for the purpose of banding themselves together into a non-commercial organization which could champion their cause and provide means whereby their knowledge of radiotelegraphy, radiotelephony, and allied subjects could be collectively increased.

In December, 1919, the Club became affiliated with and now constitutes the Milwaukee chapter of local section of the American Radio Relay League, Inc., which is a national non-commercial association of radio amateurs, (with executive headquarters at West Hartford, Conn.) bonded for the more effective relaying of friendly messages between their stations, for legislative protection, for orderly operating, and for the practical improvement of short-wave two-way radio communications. "Of, by and for the amateur," the League numbers within its ranks practically every worthwhile amateur in America and has a history of glorious achievement as the standard bearer in amateur affairs.

The Club meets weekly at 8:00 P.M., Thursday, in the Auditorium of the Milwaukee School of Engineering, except during the months of June, July and August. Visitors and prospective members are welcome at all meetings.
